

Dear *[FNAME]*,

In this month's Gamma Law News & Insights we present a visual overview of the state of the cryptocurrency industry and articles covering the truth behind China's recent blockchain announcement, Blizzard's controversial 'Blitzchung ruling', and the significance of the first esports event for the disabled, which was held in Japan this summer.

We hope you find the newsletter articles of value and welcome any feedback or suggestions. Feel free to email, call, or tap me on the shoulder anytime.

Best regards,

David B. Hoppe
