Dear "[FNAME]",

On behalf of the Gamma Law team, I hope that you, your family, friends, and colleagues are doing well considering the challenges that everyone is facing these days. Click below to view a short video message from me.

While the news headlines may be bleak, we're encouraged to see positive developments and continuing innovation in the business sectors we serve.

A few of these stories include:

- Bright spots in the economy from the video game sector
- An esports platform company fast-tracking a new esports service to facilitate the transition of cancelled live events to online tournaments
- How blockchain can help manage the impact of the pandemic
- A development in VR that's pushing the boundaries of musical creation

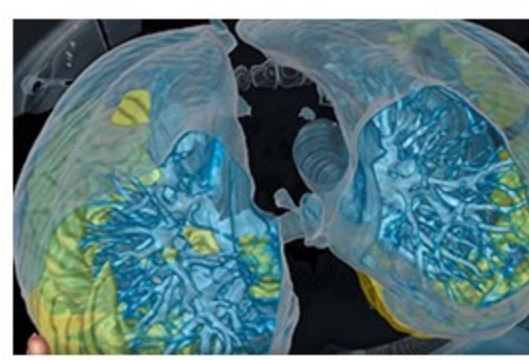

As always, I welcome your feedback on our newsletter and I would be happy to discuss these topics or other legal concerns at any time.
